

Business Review - Independent ATM Deployer

Review to assess the viability of
the business

Background

A business review was undertaken of an established Dutch IAD.

It was concluded that the business was unviable.

Solution

RBCG negotiated the closure of the business with a joint venture partner bank and closed the business at no cost.

Client Benefits

- Closure of business at no cost to the client.
- Assets disposed of.
- Staff made redundant in line with regulations.
- Customers notified.
